

# Dangerous Goods / Restricted Articles

## for shipping Unaccompanied Personal Effects & Excess Baggage

- This listing specifies which commodities are classified as Dangerous Goods by IATA Regulations
- Dangerous Goods are articles or substances which are capable of posing a significant risk to health, safety or property when transported by airfreight or seafreight.
- If in doubt please ask our staff. We will clarify with you.
- For security reasons, NZ CAA regulations may require that your consignment be x-rayed or searched prior to export. We reserve the right to search or permit the search of all freight tendered for carriage.

**Please note :**

The Civil Aviation Authority (CAA) has developed legislation in regard to the management of Dangerous Goods. Under the regulations of the Act, heavy penalties, including imprisonment apply to shippers who do not declare correctly.
