

Introduction

We specialize in shipping Unaccompanied Personal Effects & Excess Baggage 500 destinations worldwide.

We are a recognized brand providing Hassle Free Solutions by air or sea that are ideal for people emigrating, returning passengers and leisure travellers with too much shopping.

We are affordable and reliable

- Save up to 70% on airline excess baggage rates.
- 24/7 online quote engine at www.ezybag.co.nz which allows us to search all cargo rates for the best available rate structure.
- Airfreight & Ocean Freight options with Economy & Express transit times for you to choose from.
- No unexpected airline excess baggage penalty charges when you check in at the airport.
- Whether it's oversized, overweight or difficult to take on board, reduce your hassles at the check in counter by shipping with www.ezybag.co.nz
- Online email communications and track and trace systems to monitor your shipment.

We are convenient

- We can collect from your home or business
- We deliver your baggage securely and reliably to your airport / seaport of destination or we can customs clear and deliver to your residing address doorstep.
- No airline ticket is required if you just want to send your goods without travelling yourself.
- Baggage can be shipped before, after or on the same flight of your departure.
- Use your own suitcase or boxes, or we can provide boxes free of charge.
- Box sizes available. 50cm x 40cm x 34 cm (up to 30kg) & 40cm x 30cm x 25cm (up to 15kg)
- We provide full customs clearance, collection and delivery services.

Our service is safe and secure

- Your baggage is shrink wrapped prior to export for added security.
- Marine Insurance available on request
- We follow all airline / ocean line guidelines and procedures for safely and securely handling airline luggage.
- Experienced staff ensure your shipments are handled professional
